

How to Register for Keweenaw week 2018

(Registration Begins on March 4, 2018)

Review Keweenaw Week 2018 General Information Document posted on the CCRMC web site to Determine The Events You Want to Register for.

Field trips will be limited to 40 participants. Registrations for all events are accessible through a web location called Eventbrite. Go to www.Eventbrite.com and search events for Keweenaw Week. Eventbrite allows credit card payments for all the events. Once registration on Eventbrite is complete, go back to the ccrmc.info page and access the liability waiver form **only if you have registered for field trips. You must print and sign the liability waiver form.** The signed form can be scanned and emailed to Kweek@ccrmc.info or mailed to

Keith Peregrine
403 Knolls Dr.
Philo IL 61864

Only one signed form per participant is required for all four field trips.

Registration is not complete without the signed liability waiver form.

If there are no spots remaining for the field trips you should keep checking Eventbrite for openings. Once a cancellation is approved, Eventbrite will open those trips on their web site.

Full refunds will be issued prior to August 1, 2018 by requesting the refund through Eventbrite.

Once your registration is complete please make sure that your email provider allows emails from kweek@ccrmc.info into your mailbox. This will ensure you get all communications concerning all your registered events.
